Anonymity is the spiritual foundation of our Fellowship and assures our members that their recovery will be private. Often, the active alcoholic will avoid any source of help which might reveal his or her identity. Members of Alcoholics Anonymous who are concerned about their anonymity may share in a general way that cannot identify them from unique events or circumstances in their life.

The Twelve Steps of Alcoholics Anonymous

1. We admitted we were powerless over alcohol - that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

The Serenity Prayer

God, grant me the Serenity,
to Accept the things I cannot change,
Courage to change the things I can,
and Wisdom to know the difference.

ALCOHOLICS ANONYMOUS© is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

The primary purpose of A.A. is to carry its message of recovery to the alcoholic seeking help.

Almost every alcoholism treatment tries to help the alcoholic maintain sobriety.

Regardless of the road we follow, we all head for the same destination, recovery of the alcoholic person.

Together, we can do what none of us could accomplish alone.

We can serve as a source of personal experience and be an ongoing support system for recovering alcoholics.
